

Fund Management – Senior Roles

Tamil Nadu Infrastructure Fund Management Corporation Limited (TNIFMC) is a SEBI regulated Alternative Investments Funds (AIF) manager, set up by the Government of Tamil Nadu along with leading financial institutions. TNIFMC manages focused AIFs in key sectors of the economy in Affordable Housing, Green Climate, Emerging Sector and Infrastructure Sectors. TNIFMC is looking to add senior leadership (12-25 years of experience) and managerial (5-12 years of experience) hires for our existing/new AIFs operations.

Roles & Responsibilities

1. Lead and manage a team of investment professionals.
2. Generate high quality deal flow for the funds.
3. Hands on investment appraisals, negotiations, deal structuring and closing of investments.
4. Manage the portfolio including active board positions, executing exit plans.
5. Adherence to all regulatory requirements and stay abreast of industry trends and regulations impacting investment operations.
6. Deep understanding of investment management processes and workflows.
7. Regular reporting on investment operations, performance, including metrics on efficiency, accuracy, and risk management.
8. Communicate effectively with senior management, portfolio managers, and other stakeholders.
9. Stay updated on industry trends and best practices in investment operations.
10. Participate in industry forums.

Desired Profile

1. MBA / Chartered Accountant / Master's degree with key role in investment operations / corporate development.
2. Managed a team of investment professionals, demonstrated portfolio performance.
3. Excellent communication, presentation, interpersonal, and leadership skills.
