

## **Request for Proposal (RFP) – Implementation of Security Operations Center (SOC) and Security Environment Fine-Tuning**

Tamil Nadu Infrastructure Fund Management Corporation Limited (TNIFMC LTD) invites sealed quotations from eligible and experienced vendors for the **implementation of a Security Operations Center (SOC) and fine-tuning of the existing IT security environment.**

TNIFMC is currently operating on **Microsoft 365 Business Premium** for approximately 25 users, with device management through the **Microsoft 365 Admin Portal**, security protection through **Microsoft Defender**, and network security using a firewall. While the current setup provides a baseline level of protection, TNIFMC intends to strengthen centralized monitoring, enhance access controls, and improve the overall IT security posture.

### **Scope of Work**

The selected vendor shall undertake the following activities:

#### **1. SOC Deployment and Monitoring**

- Deployment and configuration of **Microsoft Sentinel** for centralized monitoring of security logs and alerts.
- Integration of security logs from Microsoft 365 services, endpoints, and firewall.
- Configuration of analytics rules, alerts, dashboards, and reporting for security monitoring.

#### **2. Identity and Access Security**

- Review and fine-tuning of Conditional Access policies in **Microsoft Entra ID**.
- Strengthening identity-based access control and enforcement of secure authentication practices.

#### **3. Endpoint Security Optimization**

- Review and optimization of device compliance and security policies in **Microsoft Intune**.
- Implementation of best-practice endpoint security configurations and compliance monitoring.

#### **4. Data Protection**

- Implementation of **Data Loss Prevention (DLP)** policies and configuration of sensitivity labels using **Microsoft Purview**.
- Protection and classification of sensitive organizational data across Microsoft 365 services.

## 5. Network Security

- Review and configuration of secure VPN access through the existing **Sophos Firewall**.
- Integration of firewall logs with the SOC platform for centralized visibility.

## 6. Documentation and Knowledge Transfer

- Submission of implementation documentation.
- Knowledge transfer and basic administrative guidance to TNIFMC IT personnel.

### **Submission of Proposal**

Interested vendors are requested to submit their **sealed quotation in hard copy** on or before **17.03.2026 at 03:00 PM** to the address mentioned below.

#### **Address for Submission:**

TNIFMC LTD  
No.19, T P Scheme Road  
R A Puram  
Chennai – 600028

The envelope should be clearly marked:

**“Quotation for Implementation of Security Operations Center (SOC) and Security Environment Fine-Tuning.”**

#### **General Conditions**

TNIFMC LTD reserves the right to accept or reject any quotation without assigning any reason.

For any clarifications, vendors may contact the Telephone: 044-24648400, Email: [tnifmc@tnifmc.com](mailto:tnifmc@tnifmc.com)
